Don't be a sexual predator. Don't commit sexual assault. Sexual assault will not be tolerated in this command, and we will not rest until appropriate legal and administrative action is taken against violators. Set the conditions in your small units and social groups so that sexual assault cannot occur. If you witness or are aware of a sexual assault, be a leader, be a friend and intervene.

If you are the unfortunate victim of sexual assault, know that I and this Battalion WILL support you. I will exhaust every effort to get you the appropriate health and social resources you need. I will also strive to protect your privacy.

I am available to you 24/7 if you have any concerns with sexual assault. So are your Uniformed Victim Advocates. Do not hesitate to contact one of us if you need help.
